

My Hero Academia: Vigilantes Vol 1

In the vibrant and action-packed world of My Hero Academia, where Quirks grant extraordinary abilities, the spotlight often shines upon UA High School and its aspiring heroes. However, the spin-off series My Hero Academia: Vigilantes ventures beyond the academy walls to introduce a cast of captivating characters and explore the untold stories of those who navigate the hero society from the fringes.

The Story

Volume 1 of My Hero Academia: Vigilantes follows the journey of Koichi Haimawari, an ordinary high school student with a fervent admiration for All Might. Inspired by his idol, Koichi yearns to make a difference but lacks any noticeable Quirk. Undeterred, he creates a makeshift hero costume and takes up the alias "Knuckle Duster" to fight against petty criminals and lend a helping hand to those in need.

Along his path, Koichi encounters a host of intriguing individuals, including the enigmatic Pop Step, a skilled Quirk user who wields explosive powers, and the enigmatic Crawler, a mysterious figure whose lightning-fast speed and agility rival that of pro heroes. Together, they form an unlikely alliance, guided by a shared desire to protect others and navigate the complexities of hero society.
