

# The Dream World: An Immersive Journey into Alison Pick's Literary Imagination

Alison Pick's latest novel, *The Dream World*, is a mesmerizing meditation on the nature of dreams, the complexities of identity, and the enduring power of memory.

The novel follows the lives of three generations of women, each of whom is haunted by dreams that connect them to a shared past. Anna, the grandmother, is a Holocaust survivor who has spent her life trying to forget the horrors she endured. Her daughter, Sonia, is a successful psychiatrist who specializes in treating victims of trauma. And Anna's granddaughter, Ariel, is a young woman struggling to find her place in the world.
